

**To All Members of the
Illinois Land Title Association:**

I am asking that you donate to ILTAPAC.

“JUST ONE MORE TIME” we are asking you to donate to ILTAPAC, the Illinois Land Title Association’s political action committee. 2020 promises to be an exciting year at the State Capitol as our industry grapples subjects like blockchain, bifurcation of title and ILTA’s movement in creating a title insurance rate regulatory system for Illinois. To meet these challenges and others yet to be discovered, **WE NEED TO BE HEARD** in Springfield. We need to participate in the government debate. **To that end, I am asking for your money. I am asking that you contribute something to ILTAPAC.**

IT’S NOT ABOUT THE DOLLAR AMOUNT YOU GIVE, it is your commitment, accumulated with hundreds of other title professionals, that makes the difference. So, give \$5, \$50, \$500 or more! Let State Representatives and Senators see the PAC involvement that ILTA brings to the table and the industry’s willingness to be pro-active on the political spectrum.

BE PART OF THE PROCESS. To be clear, your money is not used to buy votes. It is used to gain access to meetings, events, functions, etc. all of which are vital moments to speak about our industry’s concerns. The Illinois Association of Realtors routinely collects over \$1,000,000 a year for its PAC. The Illinois Bankers Association typically raises over \$200,000 for its PAC. Our goal this year is a mere \$60,000. **(If every person working for a title company or agent gave just \$5.00 we will reach \$60,000.00!)** So just one more time, help us reach this goal.

BE RECOGNIZED. In recognition of your support, contributors in the Silver, Gold and Platinum levels (\$250, \$500 and \$1,000) will be invited to a private reception at the ILTA Annual Convention held in July each year.

BE PART OF THE TEAM. Join the list of current donors whose names appear on the ILTA website. Join them right now. **Take out your checkbook and write a donation to ILTAPAC.**

Sincerely,
Amy Coats
ILTAPAC Chair
